## HOW TO USE

### Activity Mat 1 (Green): Build, Trace & Write

1. Have students build their names using play dough, letter tiles, magnetic letters, or other manipulatives.
2. Encourage students to trace their names using a pencil, marker, or dry-erase marker (on laminated pages).
3. Students can then practice writing their names independently on the handwriting lines.

### Activity Mat 2 (Red): Name Skills

1. Have students identify and circle the vowels in their names.
2. Ask students to write the first letter of their names in the box provided.
3. Have students count and record the number of letters in their names.
4. Encourage students to rainbow write their names using different colours.

### Activity Mat 3 (Yellow): Draw & Write

1. Have students build their names using play dough.
2. Have students draw a self-portrait in the drawing box.
3. Encourage students to practice writing their names independently on the handwriting lines.
